Chinamen and Americans. NEW YORK, Dec. 19,-Mr. Jamieson, an probably capture them all. English consul in China, states in a recent report that notwithstanding the liberal subscriptions made by foreigners in aid of the famine sufferers, the better classes would rather see foreigners beyond the border than acknowledge the value of their assistance. Recipients of aid, however, have shown much gatitude, and missionaries have been brought into the better favor among them by efforts to allay suffering. The Post, commenting on the above, says that is a curious fact that while opposition to Chinamen in this country comes from the laboring classes, the opposition to Americans and Europeans in Jhina is found among men of rank and

Bayard Taylor Dead. Berlin, Dec. 19 .- Bayard Taylor, minis ter of the United States, died at 4 o'clock this afternoon. Fatal symptoms came on suddenly. He had been out of bed, and transacted some official business with the

American legation yesterday. His death was peaceful and painless. Decision Reversed.

Washington, Dec. 19 .- The Secretary o the Interior yesterday reversed the decision of the commissioner of the general land of-California and Oregon Railroad Company, nvolving the title to a tract of land in ime that the railroad grant takes effect does not except the grant from the operation of said grant unless the pre-emption claim is perfected by such settler when an change, however, is retrospective and previ-

NEW YORK, Dec. 20 .- Among other evitention is called to the fact that the movement of precious metals is in favor of this country, notwithstanding the large return of our bonds from abroad. Statistics for nine months show that this year we have kept nearly all our gold and have im-ported a little silver. It also appears that he export of trade dollars during nine months of 1878, have been only \$1,609,330 against nearly \$8,225,000 last year. This indicates that the foreign markets now open to our coin are stready glutted. In nine months of last year we sent abroad \$8,000,-000 more trade dollars than were returned to us, but we took back during nine months

From Jellalabad. LONDON, Dec. 23.-General Browne telegraphs from Jellalabad on the 20th inst., as follows: "We occupied this city to-day. Stormy Weather.

The weather is severe throughout Great Britain, there being a heavy snowfall here and in many parts of the continent. All the railways in North Scotland are blocked and traffic suspended. Trains are snowed up. In some places it is over 12 feet high. It is makers, the reason given for the act was disthe heaviest snowfall in 30 years. A telegram from Geneva, Switzerland, says: "No mail has arrived from Gərmany or from German Switzerland." Wolves have penetrated to the gates of Metz. There is more snow on the Vosges than the oldest inhabitant remembers Hard Times in England.

The returns of the Union Workhouse in and extra room must be provided At Bethnil Green workhouse there are 1,050 inmates and 382 in the infirmary. In Hackney there are 1,416 iudoor poor chargeable to the hours of argument from the four counsel the "Union." District risitors disclose a vast amount of distress, and the funds at their disposal are utterly insufficient. This is especially the case at the Popular and Millwall, where thousands of dock and other laborers are thrown out of employment. Spitalifield's lime house, South Hackney, Shadawall and the same as that against the same as the same as that against the same as well and Haggerston suffer severely. Tradesmen of the entire eastern districts are crying out about badness of trade, and even Christers or that Churchill boasted of the deed, as Hick-erson swore that Sprague did. nas wares are a heavy dr So severe is the distress in Haggertson that committees, which will be formed for relief will be greatly crippled through want of

PACIFIC COAST.

A Daring Robbery. San Francisco, Dec. 18 .- A daring rob bery was perpetrated yesterday at the London and San Francisco bank. Shortly after 11 o'clock one of the tellers, while handling a lot of coin and notes, observed Lawrence Otis Hall, clearing house clerk of the bank, standing beside him. A few moments after Hall was missing, and so was a package of \$1 greenbacks amounting to \$13,000. Hall has not since been seen, and it is supposed that he went direct from the bank to the steamship Oceanic, which sailed at noon, and took passage on her for Japan and China, Hall is a native of Louisiana, about thirty years old, and has been in the employ position where he had opportunities to han-

The More Murder Trial. SAN BUENAVENTURA, Dec. 18 .- The prose eution in the Churchill case, so far, have storm since 1871 visited this section last night, and is still raging. Full three feet of Jim Tot, Chinese cook; Juan Rodriguis, ranch hand, and Dr. Isbell, all of who were present at the time of the murder Their testimony did not vary in any essential point from that given on the former trials. These witnesses were cross-examined at great length, counsel evidently laying the foundation for something not yet developed.

Just before noon Jesse Jones, State's evidence, was placed upon the stand amid considerable excitement, as i been loudly asserted that the had witness would not stick to his story. gang as that which has operated in Albany The first question, touching the facts, he declined to answer on the ground that it would well enough that his decimation, after the testimony he had previously given, was mere and the House went into committee of the testimony he had previously given, was mere to read his previous testimony, to which wit-ness assented, and finally went on to tell his story much as before. He added that before

SAN BUENAVENTURA, Dec. 19 .- In the More murder case, Austin Brown repeated his pre-vious testimony, with the addition that or the \$2,000 in notes which he had received for his ranch only \$300 has been paid. The witness said that the notes were signed by one Willoughby, but that Alex. More had guaranteed their payment, saying, "I am the only man through whom you can get that money." Witness had gone to Oregon, but Alex. More followed him and threatened to bring him back in irons if he did not come

Worthy of His Sire. San Francisco, Dec. 19 .- Frank Greenan. | Adjurned. a boy 19 years of age, attempted to shoot his mother on Vallejo street this morning, firing two charges from a double-barreled shotgui

at her, missing each time. He was arres The boy's father is in jail for larceny and his two brothers are also imprisoned for crime. Notable Death. Andrew J. Pope, of the well known firm of Pope & Talbot, died suddenly at his residence last evening. It is supposed that the cause of his death was heart disease. Deceased was 58 years of age, and was well known throughout the State. The firm is

one of the largest lumber dealers on the CHICO, Dec. 19,-A fire this morning burned a large frame stable at the corner of Broadway and Eighth streets, and contents. Loss, \$7,000; insurance, \$2,200.

Murderer Arrested. EURERA, Dec. 19 .- Sheriff Ross brought to this city last evening a person supposed to be N. L. Squires, who murdered Perly Dunlap in Colusa county, on the 9th of last November. There seems to be very little doubt that they have the right man. The arrest was made at Petrolia in this yesterday.

An Abortionist. In the libel suit of Dr. C. C. O'Donnell against the Chronicle the court this afternoon dismissed the case, on the ground that the truth of the article charging O'Donnell with being an abortionist had been established by the evidence adduced. Counsel for the defense moved that O'Donnell be at once the east of London show widespread poverty | held for murder, but the court declined to and distress. The shore ditch workhouse entertain the motion, recommending that the infirmary is full, also the workhouse itself, matter be referred to the grand jury now in

SAN BUENAVENTURA, Dec. 23.—After seven

FORTY-FIFTH CONGRESS.

WASHINGTON, Dec. 18. Beck called up the bill introduced by him on the 16th, repealing sections of the statutes proscribed addition causes of disqualification and challenge, and an additional oath for grand and petit jurors. Conkling said the subject was being considered by the judiciary committee and should not be acted upon without a report rom the committee.

Pending discussion the morning hour expired and the subject was laid aside. House bill giving twenty condemned cannon to the Guster monument at West Point Paddock called up the bill recently reported from committee on military affairs to amend the posse comitatus clause of the army

appropriation bill for the present tiscal year, so as to provide that it shall not be construed bank six or seven years, but not in a to apply to any part of the army or portion on where he had opportunities to hanproperty in the States and Territories subject to Indian insurrection. The amendments were agreed to so as to name the States of Nebraska, Kansas, Colorado, Oregon, Nevada placed on the stand George Ferguson, fore- and the Territories subject to insurrection, etc. The bill passed.

The Sepate insisted upon the amendments

to the consular and diplomatic and fortifica-tion appropriation bills, and committees of conference on these bills were ordered. On motion of Beck the bill discussed during the morning hour, to repeal sections 820 and 821 of the revised statutes, was referred to the committee on revision of laws. The pension appropriation bill was passed without material amendment. Adjournment.

Senate amendment to the adjournment resolution, extending the recess from December 20th to January 7th, was concurred in. A bill appropriating \$50,000 for the criminate him. The court peremptorily or-dered him to answer, saying witness knew demics was then taken up. The bill passed, Senate amendments to the fortification, conclared he had forgotten the facts, but, under ruling of the court, Mr. Ganahl proceeded non-concurred in. non-concurred in. Atkins, chairman of the committee on an

propriations, asked leave to report back a resolution calling for information as to the numhe turned State's evidence a detective told him that a job had been put up to hang him (witness) anyhow, and that he could only get out of it by telling what he had.

San Buenaventura, Dec. 19.—In the More

Sparks, who has charge of the bill, explained that it was substantially the hill of last year. that it was substantially the bill of last year, and had the unanimous approval of the ap

ropriation committee, and that it had the ap-The committee rose without further action. Boone introduced a joint resolution extending until the first of February the time within the Indian bureau may report; passed. Wood, of New York, asked that the 15th of January be set aside for the consideration of bills reported from the committee of ways and means-not a tariff bill; leave was given, and

WASHINGTON, Dec. 19. A communication was received from Davenport, supervisor of elections at New York suggesting amendments in the naturalization

bill of Beck to repeal sections of revised stat-utes. The substitute provides for the repeal of section 820 providing a test oath for jurors; ordered printed and placed on the calendar. Beck gave notice that he would call up his ill for consideration to-morrow. Dorsey from the committee on appropria tions, reported favorably on house bill to re-imburse several states for interest reid

the war loan, and for other purposes; referred. House bill appropriating \$450,000 for the transporting of mails by railroads was passed-Burnside took the floor to explain the pro. visions of the bill recently reported from the

to be issued by said commissioners of the Dis-

the caucus committee to inquire into the advisability of including in the next caucus full settled in this world, while there is no and counsel took up most of the day in argu- particulars regarding the Indians in the In-

lian territory.

House joint resolution extending the time for the joint committee on the transfer of the Indian bureau to report was passed. After executive session adjourned.

House. J. G. Young took the seat made vacant by the death of J. J. Leonard of the 5th Louisi district.

House then went into committee of whole on the Indian appropriation bill. Throckmorton offered an amendment proriding that no Indians shall live outside of the Indian territory unless authorized by act of Congress.

After discussion Atkins moved as substi-

tute for the amendment limiting the prohibi-

tion to Indians of Arizona and New Mexico:

adopted. Scales moved to strike out the clause appropriating \$15,000 for the expenses of the Indian sioners, which, after a long discus-On motion of Scales the number of Indian olice officers was reduced to 400 privates and

Throckmorton offered as a new section an mendment for the transfer of the Indian bureau to the war department; but subsequently withdrew it. The committee rose and reported a bill to the House. A separate vote was demanded

on an amendment (agreed to in committee) prohibiting the removal of the Indians of Ar-

izona and New Mexico to the Indian Territory; adopted—yeas, 97, nays, 96. The bill then Harrison, chairman of the civil service committee, submitted a report of the committee in reference to the investigation made by it of charges against certain members of the House for receiving money and aiding in the passage of a bill providing for payment of interest on the 3-65 District bonds. The report states that there was not a particle of testimony that there was not a particle of testimony showing that any money had been used, or that any corrupt influence had been brought to bear. The charges were wanton, and a shown to be a feeble nectar indeed, yard, scratching and barking and moanwholly, unjustifiable attack on the members of the House. The committee was discharged. The Speaker appointed Durham, Clymer, Smith, of Pennsylvania and Baker, of Indiana. Clymer and Singleton as confreres on the part fullness, or even a suspicion of a head- he been? They went to find out and of the House on the military acadamy and fortification appropriation bills respectively. Adjourned.

WASHINGTON, Dec. 20. Most of the morning session was used in

iscussing the order of business after recess; no special order was made. iter some discussion of the bill intro British India their denominations are many of us may take pattern from it. statutes, Hoar said it was evident that this given as follows: Hindeos, 139,343,820: bill could not pass to-day, and moved to ad- Sihks, 1,174,436; Mohammedans, 40, journ, but soon withdrew the motion, and Ed- 867,125; Buddhists and Jams, 2,822, munds moved an executive session. TERMS IN ADVANCE:

The Missing Bog.

"Tell me a dog story," Charley says; a certain true dog story. How the boys like dogs! Well, listen probability that they will be settled in

venerable of them-"Will lager beer in-Two gentlemen were great friends and toxicate?"-has lately been agitated in great sportsmen too. One had two dogs, the collegiate city of New Haven, Conn. | and the other one; and, as dogs are apt To be sure, there was a slight variation | to fall into their master's ways, they too became good friends and fond of the there of the problem. It was not lager

beer which was the subject of inquiry as to its fudding potency, but another One day they concluded to go hunting fluid called Schenck beer. The witnesses on their own hook; so they went into did not widely differ in their opinions, the woods and started a rabbit, who, Joseph Hall, State Chemist, found in very much perplexed at the sight of her Schencks not less than 9.86 per cent. of strange visitors ran into her hole, as the alcohol. Professor Johnson, of the most prudent move she could make; the Sheffield Scientific School, found only dogs, of course, ran after her, and one a 4.74 per cent. by weight, and 5.9 by volume; and he did not consider such so far he could not get out. There he beer to be intoxicating. Cider, which is stuck. Forward? No. Backward? freely sold in Connecticut, has been No. There he stuck. I do not think found to contain 6.80 per cent. of alco- the rabbit had him by the nose. His hol. A brewer named Philip Fresenius friends saw his plight, and they set to declares it impossible to drink enough scratching, but scratched in vain; and of Schencks to intoxicate—seven of his half dead with worry and fatigue, went workmen drinking 30 gallons per diem. An editor, Herr Schlem, declared that day's sport. Their master's saw their he could drink 20 glasses at a sitting and not be in the least inebriated. Mr. for it.

Krrauis could go Herr Herr Schlen ten glasses better, and still be judicially again, and at night came back, looking sober. Dr. Bellaso (whether LL. D. or greatly fatigued. The day after, and Ph. D., or M. D. or D. D., not reported), they returned home with bleeding feet, had consumed the beer in question for a their coats covered with dirt, and not a quarter of a century, taking sometimes speck of appetite. What was the matter. 30 glasses of an evening, and he declared Mr. Blank began to grow uneasy emphatically that he had never been about the absence of his first dog, and throat with this innocent lipuor, and it dog behaves just so," he said. Early would not affect him. Schenck was the next morning there was a stir in the It was not, of course, for the Court to ing. The gentlemen went out. There inquire whether 30 glasses of this tipple was the missing dog, wet, feeble, thin, did or did not occasion a certain sense of escorted by the other two. When ache next morning. Enough, however, was said to bother the Court, which adjourned the case. This week the moral to it, evidently made by the two dogs in order to get their companion free. Nor would they give up until they had dug him out and brought him home! Bravo! Good dogs! That is, indeed, Of the 191,000,000 inhabitants of sticking by a friend in trouble. A good
